

## **Submission of Cataract Pre-Surgery Authorization (CPSA) Request to PhilHealth**

All Health Care Institutions (HCIs) are advised to submit cataract pre-surgery authorization request to PhilHealth at least 7 working days prior the contemplated date of surgery to provide the Corporation sufficient time for review.

Please note that submission of CPSA request during non-working days such as weekends and official public holidays (national and local) shall be processed on the next working day.

For inquiries, please call the PhilHealth Regional Office in your area.
