

EXTENSION FOR INSTALLATION OF HCI PORTAL

All accredited Health Care Institutions (HCIs) are given extension to have the HCI portal installed in your facility until April 30, 2014.

This system shall function as an electronic gateway among PhilHealth members and their dependents, health care providers and the Corporation.

Please be reminded that non-compliance shall constitute defiance of Performance Commitment and shall be dealt with accordingly.

For inquiries, please call the PhilHealth Regional Office in your area.
