PHILHEALTH CIRCULAR

No. 24 s. 2001
by

TO : All RHIO Managers and All Accredited Institutional Health Care Providers

FROM : FRANCISCO T. DUQUE III, M.D., MSc.
President and CEO

SUBJECT : Authority to Accreditation and Quality Assurance Officers to Authenticate Hospital's Admission Logbook During Pre-accreditation and Re-inspection

DATE : July 24, 2001

To expedite the authentication of admission logbooks of accredited hospitals located in distant areas, authority is hereby given to Accreditation and Quality Assurance Officers to authenticate said logbook by signing for the Regional Manager during the conduct of pre-accreditation and re-inspection. No other admission logbook should be authenticated until and unless the first one is consumed or closed.

May we reiterate that concerned Regional Health Insurance Office should maintain a control of hospital logbook authenticated.

For your immediate compliance.
