MEMORANDUM

No. PRO II - 2021 0039

**SUBJECT: Approval Of 2021 Annual Procurement Plan (APP)
Amendment (1st Batch)**

The 2021 APP, anchored on the approved Corporate Operating Budget, was issued through Memorandum No. PRO II - 2021 series 0006 in support of the implementation of various programs and projects geared toward the vision of Universal Health Care.

In the course of implementation, however, factors beyond reasonable planning such as price fluctuations and introduction of new or complementary programs necessitate an adjustment or revision in the approved APP. After judicious review and evaluation, such adjustment or revision was deemed critical in order to attain the Corporation's targets, thus, the recommendation for an amendment to the 2021 approved APP.

Simultaneous with the evaluation of the necessary adjustment in the APP, the PRO II Bids and Awards Committee (BAC) also deliberated on the appropriate method of procurement for the new and complementary programs that were incorporated in the proposed amended APP, in accordance with the parameters set forth in Republic Act 9184 and its Revised Implementing Rules and Regulations (RIRR).

Thus, under the authority granted by the President and CEO to the Regional Vice President as Head of the Procuring Entity, this Order is hereby issued approving the attached 2021 Annual Procurement Plan (APP) Amendment (1st Batch).

It is emphasized that all procurement based on the 2021 APP Amendment must be undertaken strictly in accordance with the terms, conditions, requirements provided in the law, its RIRR as well as relevant government and corporate procurement policies, rules and regulations subject to usual government auditing, accounting rules and regulations.

For information and guidance of all concerned.
