RONALD S. JABAY

(3rd Batch)

The Corporation has approved its CY 2023 Annual Procurement Plan (APP) for the implementation of its various programs/projects to further fulfill its mandate of providing universal, affordable and equitable health care for all Filipinos.

To reflect, however, the necessary adjustments brought about by factors beyond reasonable planning such as but not limited to extraordinary fluctuations in prices, introduction of new projects, activities, and programs in the original CY 2023 APP, the same should be updated and/or amended.

After judicious review and evaluation, the requested revisions/modifications in programs and projects by end end-users were deemed significant and necessary for the effective and efficient delivery of public service by the Corporation.

Pursuant to the following provisions under the 2016 Revised Implementing Rules and Regulations of Republic Act No. 9184, otherwise known as the "Government Procurement Reform Act of 2003", the CY 2023 APP is hereby amended:

"Section 7.2 No procurement shall be undertaken unless it is in accordance with the approved APP, including approved changes thereto. The APP must be consistent with the duly approved yearly budget of the Procuring Entity and shall bear the approval of the HoPE or second-ranking official designated by the HoPE to act on his behalf.

Section 7.4 Changes to the individual PPMPs and the consolidated APP may be undertaken every six (6) months or as often as may be required by the HoPE."

Accordingly, and under the authority granted by the PhilHealth Board of Directors to the Regional Vice President as Head of the Procuring Entity, this Memorandum is hereby issued approving the attached CY 2023 Annual Procurement Plan (APP) Amendment (3rd Batch)
