

CURRICULUM VITAE OF

JASON ROLAND N. VALDEZ, M.D., M.P.H

Dr. Jason is a graduate of the De La Salle University accelerated medical program achieving a degree in Human Biology from DLSU-Manila and his doctor of medicine degree from DLSU-Health Sciences Campus. He passed the physician licensure examination of the Philippines in 2007, and the U.S. Medical Licensure Examination in 2009.

He pursued further studies in the University of the Philippines obtaining a Masters degree in Public Health and completing the academic units in Hospital Administration.

He has served in various positions in the healthcare industry, not merely in the clinical setting, but also in the management and operation of health institutions. He is a member of the international maritime health association, being involved in the industry for 8 years.

His advocacy is a holistic health and wellness promotion in the career of every seafarer both while on board and ashore. He aims to benefit both the seafarer with a long and healthy seafaring career, as well as the ship owners with an increasingly productive workforce.
