

ALBERT FRANCIS E. DOMINGO, MD, MSc

- Health systems and public policy specialist
- Global public health practitioner and communicator
- A Physician familiar with law and jurisprudence

Dr. Albert Francis Edralin Domingo is a senior health official of the Philippines. He helps ensure coherent UHC policy and strategy, through Primary Health Care. He represents the Secretary of Health in the PhilHealth Board of Directors, where he chairs the Committees on Benefits, Governance, and Appealed Administrative Cases. He speaks to the press and the public on behalf of the Department of Health. Experience OIC Assistant Secretary of Health.

Albert is a physician and health systems specialist who graduated from the University of the Philippines and the University of Edinburgh. A Chevening Scholar of the United Kingdom, he has fifteen years of public health experience at country and international levels, having worked with WHO, ADB, and USAID.

He helps strengthen health systems to improve efforts in noncommunicable diseases, sexual and reproductive health, tuberculosis, HIV/AIDS, malaria, and health emergencies in complex devolved settings. He is well versed in market systems approaches to health, including private sector engagement and health law. Dr. Domingo was also a Vice President of PhilHealth, where he facilitated policy and operational improvements in the nationwide KonSulTa primary care benefit package.

Consistent with his passion and advocacy for health, Albert is also a licensed group fitness instructor for indoor cycling.
