UCPB Rural Bank No Longer an Accredited Collecting Bank

Effective May 2006, the UCPB Rural Bank, Inc. is no longer an accredited bank due to its merger with UCPB Savings Bank, Inc., a non-accredited collecting bank in January this year.

Individually Paying Members, as well as Employers in the Private and Public Sectors are encouraged to remit their PhilHealth premium in any of the 56 accredited collecting banks and agents, with a combined network of about 3,124 branches nationwide.
