

No. 06-001-2006

Machine Validation of Payment Forms Needed

All members should make sure that their premium payment forms, namely, MI-5s (for Individually Paying Members), ME-5s (for Employed Sector Members) and Min-5s (for Sponsored Program Members) are machine-validated by the accredited collecting bank (ACB) or agent. This will help ensure that the payments made were duly received by the ACB for appropriate posting in our Database.

Please report any and all instances of non-machine validation of payment forms to 637-9999 local 1601 or 1602.
