

Fake PhilHealth Checks Being Rediscounted

Owners of commercial establishments nationwide are warned against the proliferation of fake PhilHealth checks being rediscounted by unscrupulous persons in various parts of the country.

Recent reports from the Land Bank of the Philippines Pasig Capitol Branch showed that ten (10) PhilHealth checks were discovered fake during Inward Clearing. These checks bore the names of Elena K. Custodio, Rodolfo Garcia, Carlos Azurin Cortes Jr., Lourdes Marasigan Ramos, Amelia Santos Esguerra, and Efren Salvador whose identities maybe fictitious. These were earlier used to re-discount items from commercial establishments.

Should incidents like these arise, the public is advised to report these immediately to the nearest PhilHealth Regional or Service Office or to the Fact-Finding and Administrative Investigation Department at 637-9999 local 1905.
