Premium Payments for 3rd Quarter Extended Until Nov. 15, 2006

Employers and members who are remitting their premium contributions at our offices in the National Capital Region and in Regions IV-A and V are advised that their premium for 3rd Quarter 2006 may still be accepted by these offices until November 15, 2006.

The extension is being granted in consideration of the damages brought about by recent Typhoon Milenyo to the above-mentioned areas.

Official receipts bearing the said date are valid and shall be considered paid within the deadline for 3rd Quarter, subject to existing accounting and auditing rules and regulations.
