## **Member Data Records to be Issued to Sponsored Program Members**

In line with the use of the Member Data Record (MDR) as primary document in benefits availment Sponsored Program members will be issued their MDRs with the effectivity period of coverage indicated therein.

Since membership under the Sponsored Program is renewable annually, members may avail themselves of the PhilHealth benefits within the effectivity period only, as indicated in the upper right-hand corner of the MDR.

Personnel of accredited health care providers handling PhilHealth transactions are advised to ensure the eligibility of sponsored members by checking on the effectivity period and other relevant information indicated in the MDR.

For further information, please coordinate with the nearest PhilHealth office.
