Issuance of UMID Cards to Informal Settlers Postponed

The issuance of the Unified Multipurpose ID Cards to the National Capital Region Informal Settlers Sponsored Members tentatively set on February 24, 2009 is reset to March 2009.

The sponsors for the 5,000 UMID cardholders are the Philippine Charity Sweepstakes Office as identified by the Metropolitan Manila Development Authority. These Sponsored Members were identified by the MMDA as the prospective beneficiaries of the Metropolitan Manila Inter-Agency Committee.

The UMID cards represent the initial releases of the UMID Project in cooperation with the National Economic and Development Authority (NEDA) and the National Statistics Office (NSO).
