

PhilHealth Offers Calamity Discount for Affected Local Government Units

In light of the massive devastation brought about by Typhoon Ondoy to Metro Manila and 27 other provinces, we are offering a 50 percent discount on premium counterpart subsidy of local government units for the continued coverage of indigent families in their respective areas of jurisdiction.

Cities and LGUs from first, second and third class municipalities may avail of the P300.00 premium rate from the regular rate of P600.00 per enrolled indigent family. On the other hand, the premium rate for indigent families in fourth, fifth and sixth class LGUs will be at P120.00 from the regular rate of P240.00 under the fourth year implementation of the Sponsored Program. Under these schemes, the capitation payment for the implementation of the Outpatient Consultation and Diagnostic Benefit Package (OPB) is at P150.00 per family.

Interested local chief executives in areas declared under state of calamity and private corporate sponsors may get in touch with the nearest PhilHealth office in their localities or may email the Marketing and Collections Department at wbacareza@philhealth.gov.ph for more details.
