

PhilHealth Advisory

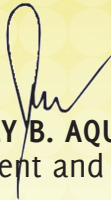

No. 10-05-2009

Reporting of Extent of Damage to Accredited Health Care Providers

In view of the situation caused by Typhoon Ondoy, all affected accredited health care facilities in areas declared under state of calamity may report to any PhilHealth office the current status or the extent of damage caused by the said typhoon with proper documentation (such as pictures, barangay certification) for actions deemed appropriate the Corporation may take.

Deadline is **October 30, 2009.**
