No. 10-08-2009

Submission of the Baseline Benchbook Self-Assessment of Hospitals - Extended!

In view of the damage and interruption of hospital operations brought about by typhoons Ondoy and Pepeng, the deadline for submission of the baseline Benchbook self-assessment of hospitals in Regions I, II, III, IV-A, IV-B, V, CAR and NCR is extended until November 9, 2009.

Hospitals in affected areas shall submit the accomplished self-assessment tools, score sheets and Benchbook self-assessment summary, which comprise Manual II, to their respective PhilHealth Regional Offices on or before the deadline.

Submission of other Benchbook requirements and related activities shall push through as originally scheduled and disseminated during the recent regional Benchbook orientations.

A handwritten signature in black ink, appearing to read "Rey B. Aquino", written over a vertical line that extends downwards from the signature.
