DBP Official Receipts Now Acceptable

In line with our efforts to bring our services closer to Overseas Filipino Workers, the DBP Remittance Center HK Ltd., a subsidiary branch of DBP in Hong Kong, was recently accredited to collect premium contributions from OFW members in Hong Kong. The DBP and its tie-ups abroad now issue their own official receipts to paying OFW/OCW members as proof of their annual premium contributions. These receipts should be honored, for purposes of benefit availment or contribution verification.

For further inquiries, visit or call the nearest PhilHealth Office.
