All CIS Bayad Centers Now Accepting IPM Payments

Individually Paying Members (IPMs) may now pay their premium contributions through any of the 1,102 CIS Bayad Centers nationwide. These Bayad Centers started accepting payments last June 15, 2010.

To pay their premiums, IPMs simply need to fill-out Transaction/Payment Form by indicating their PhilHealth Identification Number, name, the period for which payment is being made, and the amount being paid. The form will be validated and the lower portion of the said form shall serve as the member's official receipt of payment.

A validated transaction should indicate the following information:

1. Transaction receipt number
2. PhilHealth Identification Number
3. Transaction date
4. Amount paid

The complete list and addresses of CIS Bayad Centers may be accessed through www.philhealth.gov.ph/employers/others/CISBayadCenters.pdf
