

PhilHealth Advisory

No. 09-04-2010

New PhilHealth ID Card for Sponsored Program Members

Starting **October 1, 2010**, members under the Sponsored Program will be using the new PhilHealth ID card bearing the new design of PhilHealth Number Card (PNC) earlier issued to Individually Paying and Employed members of PhilHealth.

The front side bears the member's complete name, PhilHealth Identification Number, signature, a space for 1"x1" photo, and the validity period of coverage. The back portion bears a certification as to the cardholder's identity and entitlement to PhilHealth benefits together with his/her legal dependents, and the signature of the PhilHealth President and CEO.

Below is the image of the new PhilHealth ID card for Sponsored Program members:

Front

Back

All Family Health Cards previously issued will still be honored as proof of eligibility in availing of PhilHealth benefits, provided that the availing is within the validity period as indicated in the said card.

This advisory is based on PhilHealth Circular No. 26, s-2010.
