## **Beware of Fake PhilHealth Claim Checks**

The public is hereby warned on the proliferation of fake PhilHealth checks being encashed at commercial establishments nationwide.

Recent reports have shown that several unscrupulous persons have encashed checks at a commercial establishment within the area of jurisdiction of Region I. The checks later turned out to be fake negotiable instruments.

We call on owners / proprietors of business establishments to exercise extreme caution when allowing similar transactions. Should incidents like this arise, please immediately report the matter to the nearest PhilHealth Regional or Service Office or to our Fact-Finding Investigation and Enforcement Department at (02) 638-3086 or (02) 637-6460.
