

No. 03-04-2011

February 2011 Premium Contributions of Remittance-by-Air Facility Users

The Remittance-by-Air facility is currently experiencing downtime due to technical problems in the migration of Esoluzione's servers and the delay in the delivery of necessary equipment to complete the said migration.

In view of these circumstances and as goodwill to PhilHealth and the loyal users of this facility, Esoluzione, Inc. will shoulder the **February 2011** premium contributions of R-B-A users who remitted their January 2011 contributions through the text payment facility.

For further inquiries, please call the Marketing and Collection Department at 687-4956 to 57.
