

No. 02-03-2012

Suspension of Onsite Registration and Card Issuance Activities

Effective immediately, all onsite membership registration and card issuance activities being undertaken by our private partners are suspended.

The temporary suspension of all onsite registration activities is made in light of the urgent need for tighter review of the terms of engagement pertaining to our partnership with the private sector.

However, offsite stationary registration and card issuance through our partners SM Retail, Inc. and CIS Bayad Center will continue.
