Export and Industry Bank No Longer an Accredited Collecting Agent

The Export and Industry Bank (EIB) was placed under the receivership of the Philippine Deposit Insurance Corporation (PDIC) on April 26, 2012, prohibiting EIB from doing business in the Philippines. Thus, it is no longer allowed to accept PhilHealth premium payments from members, employers and sponsors.

PhilHealth members are advised to proceed to the nearest PhilHealth Regional Offices (PROs) and other Accredited Collecting Agents (ACAs) nationwide for their premium payments.

For the complete list of PROs and ACAs, call our Call Center at 441-7442 or visit <http://www.philhealth.gov.ph/partners/collecting/>.
