

PhilHealth Advisory

No. 11-01-2012

Clarification on the Implementation of PhilHealth Circular No. 43, s-2012 (Reimbursement of Hospitals Claims Through Auto-Credit Payment Scheme) and PhilHealth Circular No. 049, s- 2012 (Amendment to PhilHealth Circular No. 28, s-2012)

To ensure uniformity in the implementation of PhilHealth Circular No. 43, s-2012 (Reimbursement of Hospitals Claims Through Auto-Credit Payment Scheme), all Accredited Institutional Health Care Providers are hereby advised that splitting of Case Rate Payment shall now be applied in accordance with the provision of the said circular.

Relative to this, all IHCPs that previously submitted their request to split their case rate payment under PhilHealth Circular No. 28, s-2012 (Splitting of Payment for Facility and Professional Fee and Issuance of Official Receipts for PhilHealth Claims) which was further clarified through the implementation of PhilHealth Circular No. 049, s-2012 (Amendment to PhilHealth Circular No. 28, s-2012) are enjoined to re-apply for Auto Credit Payment Scheme (ACPS) for the appropriate reimbursement of their benefit claims. Please be reminded that the application of the said payment scheme is still optional. Government Hospitals presently receiving split payments via checks shall still receive their benefits claims reimbursement through the said manner until January 2013. In line with this, said institutions are advised to apply for ACPS before the aforementioned **date in order to ensure the smooth implementation of the Corporation's initiative towards paperless transactions.**

For further details, please refer to PhilHealth Circular Nos. 43 and 49, s-2012.

All concerned may coordinate with the nearest PhilHealth Regional Office for any clarification on the said matter.

Please be guided accordingly.

DR. EDUARDO P. BANZON
President and CEO
