No. 03-03-2013

Temporary Suspension of the Armed Forces of the Philippines (AFP) Pensioners Enrollment under the Individually Paying Program (IPP) - PhilHealth Coverage of the AFP Pensioners

Please be informed that effective 01 March 2013, enrollment of AFP Pensioners under the Individually Paying Program (IPP) - PhilHealth Coverage of the AFP Pensioners will be temporarily suspended until further notice. This is to give way for the system enhancement and strategic planning approach to be conducted by PhilHealth and AFP for the project.

Applicants who wish to enroll under the program are advised to pay their PhilHealth premiums under the regular IPP through over the counter payment scheme at any PhilHealth Local Health Insurance Offices (LHIOs) or accredited collecting agents. On the other hand, existing AFP enrollees confirmed by the AFP will continuously be deducting their PhilHealth premiums through pension deduction.
