

## **EXTENSION IN THE USE OF OLD CLAIM FORMS 1 & 3**

The Corporation shall allow the use of old claim forms 1 & 3 for admissions until March 31, 2014 to accommodate the requests from members, employers and health care providers and to minimize wastage of paper. This shall also provide ample time for the health care institutions (HCIs) to reproduce the revised claim forms. However, the use of the new Claim Form 2 (Revised November 2013) shall still be strictly enforced.

All HCIs are expected to use the new Claim Forms (Revised November 2013) for admissions effective April 1, 2014. The new claim forms are downloadable from [www.philhealth.gov.ph](http://www.philhealth.gov.ph).

For inquiries and clarifications, please feel free to contact the Chief of Health Care Delivery Management Division (HCDMD) of the PhilHealth Regional Office concerned.
