

No. 04-01-2015

PAYMENT AND REPORTING OF PREMIUM CONTRIBUTIONS OF EMPLOYERS AND EMPLOYEES

In relation to PhilHealth Circular No. 04-2015 (*Payment and Reporting of Premium Contributions of Employers and Employees*) which was published on March 12, 2015, all employers in the government and private sectors are strongly encouraged to pay their premium contributions at PhilHealth's accredited collecting agents (ACAs) or through e-Payment facilities **effective the applicable period of April 2015**.

Exempted from this recommendation are government agencies that are currently implementing the Expanded Modified Direct Payment Scheme (ExMDPS).

Further, all employers in the Formal Economy shall adopt the Electronic Premium Reporting System (EPRS) as the mode of preparation and transmission of all remittance reports (RF-1). However, this remains optional for employers of Kasambahays.

During the transition period, the PhilHealth Employer Engagement Representatives (PEERs) are advised to coordinate with the PhilHealth Accounts Information Management Specialists (PAIMS) or with the nearest PhilHealth Office for the orientation, training and registration for the said systems.

Other inquiries may be referred to our Call Center at (02) 441-7442 or to any of our Regional Offices.
