## ALL PHILHEALTH REGIONAL OFFICES, PRIMARY CARE BENEFIT (PCB) PROVIDERS AND ALL OTHERS CONCERNED

Please be informed that the enhanced Updated Primary Care Module (UPCM) will be available and can be accessed through the HCI Portal beginning March 1, 2016.

Only those with user accounts may access the UPCM. Each accredited PCB1 provider shall be given two user accounts, one for the physician and the other for the staff/encoder. To be issued a user account, intended users shall be required to accomplish the Non-Disclosure Agreement (NDA) and PhilHealth Online Application Form (POAF) and submit these forms to our nearest Local Health Insurance Office. Those with existing user accounts need not re-apply.

The NDA and POAF may be downloaded from the PhilHealth website under Online services.

An instructional video shall be made available to guide users on how to use the UPCM. Please be advised that encoding for enlistment of NHTS, Sponsored, and DepEd members shall require the uploaded assigned list from your respective Local Health Insurance Office (LHIO). Please contact your LHIO for status of assignment.

For any problems and inquiries, please contact IT Helpdesk at (02) 441-7444 local 7608.
