

REGISTRATION IN THE PHILHEALTH DIALYSIS DATABASE (REVISION 1)

To give ample time for PhilHealth members and dependents on chronic dialysis to register in the PhilHealth Dialysis Database (PDD), PhilHealth shall only require PDD registration for reimbursement of dialysis claims for admissions or procedures performed starting **September 1, 2016 replacing August 1, 2016.**

Registration in the PDD shall be a requirement for reimbursement of claims for dialysis of patients diagnosed of chronic kidney disease stage 5. Non-registration under the PDD shall mean denial of reimbursement.

Please refer to PhilHealth Circular No. 2016-007 for more information on PDD.
