

SUBMISSION OF PRIMARY CARE BENEFIT (PCB) DATA

In view of the shift from manual to electronic processing of all claims of Health Care Institutions (HCIs) through partnership with DOH-PhilHealth Accredited Health Information Technology Providers (HITPs) and Electronic Medical Record (EMR) Providers, all Rural Health Units (RHUs) accredited as Primary Care Benefit Providers shall submit their Primary Care Benefit (PCB) Data to PhilHealth through EMR beginning January 1, 2017.

Meanwhile, RHUs accredited to provide Maternity Care, TB-DOTS, Animal Bite Treatment and Outpatient Malaria packages may opt to engage with a HITP for claims in relation to these packages, or submit claims manually until further notice.
