

SUBMISSION OF MANUAL EXCEL FILE (MEF) REPORTS FOR CY 2016 PCB DATA

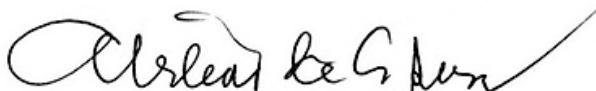

Please be advised that the 2016 PCB data from 1st to 4th Quarter encoded through MEF may still be submitted for PFP processing until June 30, 2017. Admissible MEF data shall also include those submitted by PCB providers who initially used the UPCM or other EMRs regardless of status of their internet connectivity. All MEF data submitted beyond the 60 days prescribed period from the applicable quarter shall be required an attached Motion for Reconsideration letter.

Accredited PCB providers with functioning Electronic Medical Record (EMR) system and actively using the system for patient data encoding are discouraged to submit MEF reports to avoid double encoding.

PCB accredited hospitals without existing EMR may continue to submit 2017 PCB data through MEF until further notice.

For any questions/ clarifications, you may contact the PCB Team at telephone number (02) 441-7444 local 7575 or email address: ***pcb-philhealth@googlegroups.com***

For information and guidance.
