Coverage of Dengue Patients Immunized During Government Programs

Dengue patients admitted in government accredited hospitals and were previously immunized with Dengvaxia during a government program (school-based or community-based) and who are not yet members of the National Health Insurance Program (NHIP), or patients without current coverage, shall be registered under the Point-of-Service (POS) Program to avail themselves of PhilHealth benefits.

Those admitted in private hospitals may likewise be registered under POS subject to appropriate referral from Department of Health (DOH) or National government facilities, Rural Health Units (RHU) / Health Centers (HC) or DOH-retained hospitals.

A copy of the Immunization Record and/or Certificate of Immunization with patient identification number issued by the School, Rural Health Unit or Health Center shall be attached to the claim documents upon filing with PhilHealth.

Further inquiries pertaining to this advisory may be referred to our 24/7 Corporate Action Center Hotline (02) 441-7442 or through email: actioncenter@philhealth.gov.ph.
