

AVAILABILITY OF THE RECONCILIATION SUMMARY MODULE (RSM) THROUGH HCI PORTAL

In relation to PhilHealth Advisory 2018-0042 entitled “*Summary Status Reports to be sent to All Accredited Institutional Health Care Providers Via E-mail*”, the Reconciliation Summary Module (RSM) is now accessible in the HCI Portal. This module is a facility to provide all accredited health care providers in the private and public sectors with a report of their claims reimbursements to facilitate the reconciliation of their records with PhilHealth. For any discrepancy on the records, the facility can coordinate with their respective PhilHealth Regional Office/ Branch to resolve such concerns.

All active users of the HCI Portal can access the RSM, while those without an existing account are requested to submit a duly accomplished PhilHealth Online Access Form and Non-Disclosure Agreement to the nearest PhilHealth Regional Office/ Branch. The forms are downloadable from **www.philhealth.gov.ph**.

To assist the users in accessing the RMS module, the user guide is also available in the HCI Portal.

Further inquiries and concerns regarding this Advisory may be directed to our 24/7 Corporate Action Center Hotline at (02) 441-7442.
