CATARACT PRE-SURGERY AUTHORIZATION (CPSA) REQUEST DURING THE ACCREDITATION FILING PERIOD CY 2019

To ensure continuous access to PhilHealth benefits, Health Care Institutions (HCIs) providing services requiring CPSA are advised to file their applications for renewal of accreditation as soon as possible. CPSA shall be approved subject to submission of applications for accreditation within the prescribed filing period. Please refer to Advisory No. 2018 – 0077 for the prescribed accreditation filing period.

HCIs with CPSA requests that were disapproved because the contemplated surgery was dated beyond December 31, 2018 are advised to inform the appropriate PhilHealth Regional Office (PRO) which in turn will notify concerned HCIs to re-submit their CPSA requests. The CPSA module will be adjusted accordingly. Please be reminded that *“An approved pre-cataract surgery authorization (CPSA) shall not automatically guarantee the approval of corresponding claim for reimbursement”* as stated in PhilHealth Circular No. 59, s.2012, Section A., #5.

For your information and guidance.
