

## APPLICATION FOR SOFTWARE CERTIFICATION

TO ALL CERTIFIED SERVICE PROVIDERS :

Pursuant to PhilHealth Circular No. 2017-0027: Software Certification for the Unified PhilHealth Electronic Claims System using Electronic Medical Record concerning the endorsement of HCIs to outsourced software solutions, please be informed that this will only be applied to initial application for software certification. Service Providers whose software solutions were already certified may no longer need to seek another HCI endorsement for succeeding software certification process for eClaims or PCB/EPCB.

Please be guided accordingly.
