UPDATED SELECTIONS CRITERIA AND PRE-AUTHORIZATION CHECKLIST AND REQUEST FORMS FOR THE Z BENEFITS FOR KIDNEY TRANSPLANTATION, PROSTATE CANCER, VENTRICULAR SEPTAL DEFECT AND TETRALOGY OF FALLOT

As part of the continuing process of review of the policy on the Z Benefits, in collaboration with relevant stakeholders, PhilHealth is disseminating the updated selections criteria and the corresponding pre-authorization checklist and request forms for the Z Benefits for kidney transplantation, prostate cancer, ventricular septal defect and Tetralogy of Fallot.

Beginning August 1, 2019, contracted health care institutions may use the updated checklist and request forms when applying patients for pre-authorization to the Z Benefits. The updated pre-authorization forms may be downloaded from the PhilHealth website.

Please follow the link www.philhealth.gov.ph/downloads and click the tab for “Z Benefit Documents”.

Meanwhile, the pre-authorization forms for these said Z benefit packages, revised as of October 2015, may still be submitted to the PhilHealth Regional Offices until December 31, 2019 only.

For the information of all contracted health care institutions for the Z Benefits.
