BEWARE OF FAKE RAFFLE PROMO AND ASSISTANCE FOR MEMBERSHIP REGISTRATION FOR A FEE

We have received reports of a Facebook page such as “*PhilHealth updates online*” that encourages the public to “like” and “share” their page to qualify for a supposed raffle for “libreng pabahay.”

A similar scheme was also recently reported to us about a certain Efeiram Oicatse whose Facebook page named “*PhilHealth Registration Online*” offers assistance in PhilHealth membership and in securing the PhilHealth Identification Number for a fee. The said Facebook page requires payment of Php170 which can allegedly be paid through a popular chain of convenience stores using barcodes that it provides.

Please be informed that PhilHealth neither has a housing raffle promo nor authorizes membership assistance for a fee. Registration can be done conveniently at any of its local health insurance offices and express counters in leading malls nationwide for free.

As such, we call on the public to exercise extreme caution in reposting everything they read online, and to be vigilant against scammers to prevent them from victimizing innocent people.

Everyone is encouraged to immediately report these schemes to the following: Facebook page (PhilHealth official); Action Center at (02) 441-7442; Email at actioncenter@philhealth.gov.ph; or at any PhilHealth Regional or Local Health Insurance Office.
