

Extension of Rectification of CY 2016-2018 PCB Data Records and Uploading of PCB and EPCB Reports

In reference to PhilHealth Advisory No. 2018-0055 regarding unpaid PCB data records for CY 2016-2017, all accredited PCB providers are advised to contact and coordinate with their EMR system providers for rectification of affected PCB data records. Please refer to the schedule below:

Applicable Year	Activities	Timeline
2016-2018	In reference to the negative list, the following PCB data are allowed for rectification: <ul style="list-style-type: none"> Discrepancy in member's last name Discrepancy in dependent's birth date Undeclared dependent-child Undeclared dependent-spouse 	February 1-March 31, 2020
	Re-uploading of PCB data records by EMR Service Providers	April 1-June 30, 2020
2019	Uploading of PCB data records (1 st -4 th quarters) by EMR Service Providers	February 1-March 31, 2020

Regarding submission of EPCB data records as stated in PhilHealth Advisory No. 2019-0039, please be informed that there is an extension on the encoding and uploading of EPCB report. Please refer to the schedule below:

Applicable Year	Activities	Timeline
2019	Encoding of EPCB data by accredited EPCB HCIs; and	February 1-until April 30, 2020
	Uploading of EPCB XML file to HCI portal by accredited EPCB HCIs	

For your guidance and compliance.
