Extension of Uploading of 2019 PCB Data Records

With the declaration of national state of calamity as a result of the increasing number of Corona Virus Disease 2019 (COVID-19) cases in various parts of the country, PhilHealth is extending the deadline for the uploading of 2019 PCB data records (1st – 4th Quarters) from March 31, 2020 to April 30, 2020. All accredited PCB providers are advised to contact and coordinate with their EMR providers for the uploading process.

For your information and compliance.
