

PhilHealth Member Portal for Membership Services

PhilHealth has enhanced its 'Member Inquiry' web utility with the new 'PhilHealth Member Portal'. It is now available in the PhilHealth website, www.philhealth.gov.ph. Members can now view their personal information, verify their contribution records, and print a copy of their Member Data Record (MDR) much easier than before.

To access the 'PhilHealth Member Portal', members must first register and create their own account using their PhilHealth Identification Number (PIN) and personal password.

Additional interactive features of this new portal shall be made available in the future as part of PhilHealth's commitment in bringing its services closer and convenient to the public.

Further inquiries or clarifications may be referred to the PhilHealth Call Center at (02) 8441-7442 or through any of the PhilHealth Regional Offices and Local Health Insurance Offices.
