## To All Accredited Health Care Institutions

### Availability of Interim eClaims Cloud Storage Service API (eCCSA)

Please be informed that the eClaims Cloud Storage Service API may now be utilized as an alternative storage service for eClaims attachments. Since this is a temporary storage, please immediately revert to your main storage should you encounter issues in submission.

Please advise your IT personnel or Service Providers to access <https://ecs.philhealth.gov.ph/eden/> to avail of the said cloud service.

For further inquiries or clarifications kindly send it through our os ticketing system at <https://itsupport.philhealth.gov.ph>
