## Requests for Cataract Pre-Surgery Authorization (CPSA) During CY 2021 Accreditation Filing Period

To ensure continuous access to PhilHealth benefits, Health Facilities (HFs) providing services requiring cataract pre-surgery authorization (CPSA) are advised to file their applications for renewal of accreditation as soon as possible.

For HFs whose CPSA request were already disapproved because their License To Operate (LTO) is still on-process with the Department of Health (DOH), and the dates of contemplated surgeries are scheduled between January 1 and 31, 2022, re-submission of CPSA request is advised.

Re-submission of CPSA requests shall only apply to HFs that applied for renewal of accreditation within the prescribed filing period (please refer to Advisory No. 2021-046 entitled "Continuous/Renewal of Accreditation of Health Facilities (HFs) for CY 2022").

It is reiterated that an approved CPSA shall not automatically guarantee the approval of corresponding claim for reimbursement as stated in PhilHealth Circular No. 59, s-2012.
