

Official Konsulta Tarpaulin Banner Designs for Accredited Konsulta Providers

In line with the implementation of the Konsultasyong Sulit at Tama (Konsulta) Package, please be advised that all accredited Konsulta providers are required to display a signage indicating that it is an accredited PhilHealth Konsulta provider (Annex A). This is in addition to the “New PhilHealth Signage” as provided in PhilHealth Circular No. 0013 s. 2009.

Per Annex B (Self-Assessment/ Accreditation Survey Tool) of PhilHealth Circular No. 2020-0021 titled “Accreditation of HCPS for Konsulta Package,” the signage indicating that the facility is a PhilHealth Konsulta provider is among the minimum requirements for an accredited Konsulta provider. The signage shall be available within three (3) months from approval of initial accreditation.

The following are the technical specifications and the links for the tarpaulin designs:
