No. 2022 - 0017

Implementation of the PhilHealth Registry of Newborns

PhilHealth issued Circular No. 2022 – 0011 titled “PhilHealth Registry of Newborns” on June 10, 2022, which provides the implementing guidelines on the use of the registry system among the contracted health facilities providing the specialized care for the Z Benefits for premature or small newborns.

Relative to this, PhilHealth shall start the software deployment preparation within one (1) year from the effectivity of the above-mentioned policy or upon implementation of all of the procedures, processes, and activities required to make the software system available to its intended user, whichever comes first. The Corporation shall issue an Advisory to inform the public once the system is deemed available and functional.
