PhilHealth Coverage for COVID-19 Testing of Returning OFWs

PhilHealth acknowledges the important role of our returning Overseas Filipino Workers (OFWs).

During a special meeting on September 8, 2022, the PhilHealth Board of Directors, convened and presided by the DOH Officer-in-Charge, approved the continuing coverage of SARS-CoV-2 (COVID-19 virus) testing for returning OFWs, in accordance with IATF Resolution No. 168, s. 2022. The specific guidelines by way of a PhilHealth Circular will be released soon, with retroactive effect to August 31, 2022.

For the guidance of all OFWs and accredited SARS-CoV-2 testing laboratories.
