

Philippine Health Insurance Corporation

ADVISORY

No. 2022 - 0039

Acceptance of Philippine Identification System (PhilSys) ID (PhilID) and PhilSys digital ID in various formats including the printed ePhilID

Pursuant to Republic Act No. 11055, otherwise known as the Philippine Identification System (PhilSys) Act, all National Health Insurance Program (NHIP) beneficiaries and stakeholders are hereby informed that the PhilSys-issued physical ID card and the printed ePhilID shall be honored and accepted, subject to authentication, as an official government-issued valid ID and a sufficient proof of identity in any PhilHealth transactions.

To facilitate its use as a valid ID, the public is advised that the details in the PhilID and printed ePhilID must be clear, readable, and consistent with the submitted documentary requirements (e.g. PhilHealth Member Registration Form).
