No. 2022 - 0042

PhilHealth Premium Contributions of Health Care Professionals who are Applying for Accreditation

This is to inform all health care professionals that no accreditation fees are collected when applying for accreditation.

As Direct Contributors, health care professionals shall have updated premium contributions. Hence, they must have paid premium contributions especially in the month of their application for accreditation.

Missed contributions shall be subject to existing guidelines governing premium contributions.

Further inquiries may be referred to the PhilHealth Action Center at Callback Channel: 0917-8987442 or through email actioncenter@philhealth.gov.ph or to the nearest Local Health Insurance Office.

Please visit www.philhealth.gov.ph for additional information.
