# Konsulta SAP Adjustment Updates

Please ensure that all Konsulta Reports for CY 2021 are completely uploaded not later than thirty (30) days after publication of this advisory prior to submission of a request for Statement of Account Payable (SAP) generation to LHIOs or generation of SAP thru the HCI Portal.

All Konsulta Providers are advised that the generation of the final SAP for the first and second tranches of CY 2021 for Konsulta shall resume not later than sixty (60) calendar days after the publication of this advisory.

The deadline for uploading of the Konsulta Reports for CY 2022 will be announced at a later date in consideration of the ongoing system adjustments in the downloading of Konsulta Registration Masterlist.

Please be reminded that the final SAP for CY 2021 and CY 2022 will only contain those successfully uploaded data prior to SAP generation. Likewise, the generation of SAP is enabled every 1st to 15th day of the applicable month.

For your information and proper guidance.
