ADVISORY

No. 2023 - 0023

PHILHEALTH SYSTEMS OPTIMIZATION

Pursuant to the Advisory on PhilHealth Systems Optimization earlier released on even date, **the original period of 60 calendar days within which to file claims for reimbursement or payment for services rendered by our Health Care Institution is hereby extended for another 60 calendar days.** This also applies to the registration of Chronic Kidney Disease 5 patient in PhilHealth Dialysis Database (PDD) and application of Cataract Pre-Surgery Authorization (CPSA) for the said period.

This advisory covers the period starting June 1, 2023 to September 30, 2023, or until such time that the said systems optimization and/or update is completed. Progress and updates, including early completion of the same, shall be contained in later advisory/ies.

Our Information Technology Management Department is working to successfully finish the activity at the soonest possible time. Thank you for your utmost understanding and cooperation.
