Requests for Cataract Pre-Surgery Authorization (CPSA) During CY 2023 Accreditation Filing Period

To ensure continuous access to PhilHealth benefits, Health Facilities (HFs) providing services requiring cataract pre-surgery authorization (CPSA) are advised to file their applications for renewal of accreditation as soon as possible.

For contemplated surgeries scheduled between January 1-31, 2024, whose corresponding CPSA requests are already disapproved because its 2024 license is still on process, please re-submit another CPSA request.

The re-submission of CPSA requests shall only apply to HFs that applied for renewal of accreditation for CY 2024.

It is reiterated that an approved CPSA shall not automatically guarantee the approval of corresponding claim for reimbursement as stated in PhilHealth Circular No. 59, s-2012 (Requirement of Pre-Cataract Surgery Authorization).

For your information and guidance.
